

In the relentless pursuit of excellence, our founders have crafted a business model that challenges the status quo and is built around more than 120 resilient professionals capable of being dynamic and progressive in an ever-changing landscape. Our integrated service suite removes the barrier created by silos and enables us to deliver flexible end-to-end solutions that are appreciated by our clients and fellow professionals.

We are the largest fully independent tax practice in South Africa, including admitted attorneys, chartered accountants, tax specialists and international mobility professionals. We follow a legal, compliant, and practical approach complemented by our multidisciplinary teams which allows us to offer a comprehensive service suite for all company needs.
